To my beloved patients,

We here at Ferguson Family Medicine would like to share some important news.

## **Ferguson Family is pleased to announce some of our existing patients may well qualify for TELEHEALTH visits during pandemic COVID-19.**

- *Please be advised our office maintains regular business hours if you prefer a scheduled visit by your provider.*
- If you experience a minor illness or require a medication refill that can be managed by telemedicine phone visit, please contact Ferguson Family Medicine at PH: (480) 422-8533.

### **How does TELEHEALTH work?**

- Call the office, request to schedule a **TELEHEALTH APPOINTMENT**
- You will receive a call at the time of your appointment by our front office to prep your chart for your provider and your co-pay will be collected.
- Your provider will reach out to you through Facetime or Telephone

### **LIMITATIONS:**

- Existing patients only
- By appointment only
- Eligibility criteria based on insurance and provider discretion

*If you are running a fever and have a cough, we are offering a curbside screening to test for COVID-19. Please contact our front office for more information.*
